

Hello 5th Grade Students and Families,

It's time to register for 6th grade classes at Enterprise! We are providing two different options for registration: paper registration forms or an online Google form. Students are welcome to use whichever method they'd prefer. Here are a few clarifications on class scheduling:

- Students will attend six different classes each day. We've included a copy of our daily bell schedule and two sample schedules.
- Descriptions of all 6th grade classes are listed in the middle school course catalog, which can be found at www.rsd.edu/students/course-catalogs-four-year-planning-tool. We also have copies of the course catalogs available at Enterprise. Students are welcome to pick one up during lunches Monday - Friday from 10:45 to 12:15.
- Students will automatically be scheduled into the required classes - Language Arts, Math, Science, Social Studies, PE (one semester) and Health (one quarter). Class placement will be based on 5th grade teacher recommendations and assessment scores. Students needing either advanced classes or additional support in math or reading will be scheduled accordingly.
- Students will be assigned to one semester (half a year) of Physical Education, and they will attend the class every day. Students will dress in a PE uniform consisting of black shorts and red t-shirt, which can be purchased at the beginning of the school year.
- Students may choose among three options for their exploratory classes. Options include a year-long Band class, a year-long Orchestra class, or a combination of quarter exploratory classes. Quarter exploratory classes will rotate throughout the school year and may include Art, Computer Essentials, Drama, Engineering Design & Problem Solving, Family Consumer Science, Leadership or World Language. We do not have a 6th grade Choir class, but students can take Choir in 7th and 8th grade.
- Students have the option of waiving PE due to physical disability, religious belief or participation in directed athletics. Any student choosing to waive PE is required to complete 75 hours of physical activity during the school year. Students will be provided with a form to log their physical activity outside of the school day in the fall.
- **Completed registration forms should be submitted by Friday, May 8th.** Forms can be completed online, returned via email attachment, or dropped off in person at EMS Monday - Friday from 10:45 to 12:15.
